スポーツクラブにはいろいろ

There are four sports clubs in your area, and you need to decide which club you will join. You and your partner each go to two clubs, ask some questions and share the information. Then discuss with your partner which club you would like to join.

Try to speak in Japanese by using these expressions:

いいですね。 that's good      おもしろい。      that's interesting  
だめです。      that's no good      おもしろくない。      that's not interesting
